

Argyle Independent School District

800 Eagle Drive ♦ Argyle, TX 76226 ♦ www.argyleISD.com

Dear Argyle Intermediate school parents,

It has been brought to my attention by Argyle ISD Police Department and our school bus drivers that there is a serious safety concern that needs to be addressed on your student's campus. It has been reported that parents are walking between buses in order to pick up their child from school. Some parents are intentionally speeding through the parking lot, and driving around buses in order to leave before the buses pull out of the parking lot. All of these practices are unsafe and can lead to serious injury or loss of life.

The Argyle ISD police Department and our accident review committee has determined that In order to keep our students safe while boarding the school bus, beginning January 9th, 2018 only parents picking up students in vehicles after 3:10 will be allowed to line up in the back. Those that want to park and walk to get your student prior to 3:10, you will need to do so in the front of the building. If you wish to continue to pick up your student in the back, you will need to remain in your vehicle and line up along the side of the parking lot to wait until the buses leave.

All other Argyle ISD campuses have a separate bus loading zone to keep our students safe. We are implementing this policy to keep our Intermediate school students safe as well. I am sorry for any inconvenience this change may cause. It is the districts goal to have a safe environment for all of our students including the school bus loading zone. If you should have any questions, comments, or concerns regarding this new policy please contact:

Chief Paul Cairney extension 2222
Albert Rutledge extension 6010
Officer Robert Mastropiero extension 3015.

Thank you,

Albert Rutledge
