Subject: Hilltop student release

In order to ensure the safety for all PK, K, 1, 2, and 3rd grade students all Hilltop students **MUST BE MET BY AN ADULT** at the bus stop before they are allowed off the school bus. If the student is riding home with an older Intermediate school sibling the student can walk home with the older sibling. If an adult or older sibling is not available at the bus stop to meet the student, the student **WILL REMAIN ON THE SCHOOL BUS AND THEN BE TAKEN BACK TO HILLTOP.**

If you wish for your Hilltop student to be released without a parent or older sibling present, please send us written permission stating your request. Your student will be issued a "P" pass informing the driver that the student can walk home alone. This written request must be resubmitted annually.

Thank you,
